To The Secretary To The Government of
His Highness The Maharajah of Mysore
In the Munzeroi Department at
Bangalore

The humble petition of the under-
signed villagers of Byrakere Magady
Taluk

Most respectfully Sheweth:—

That the Jangama
mutt in the village of Byrakere Magady
Taluk is a munzeroi institution enjoying
large emoluments and meant for the
purpose of disseminating religious knowledge
and for having and feeding travellers and
generally to minister religious needs of
Sivachar Comunity of the said place.

2. That from time immemorial the mutt
Adipathi of this institution was always a
viraktha or Swamy of approved qualifica-
tions, and that owing to the neglect of the
people and Government to elect a proper
person for the Office after the demise of the
last Swamy Chenaveera Daivaru, the
mutt and its properties fell into the hands of
one Mundabassaya who was a servant under
the above muntioned Chenaveera Daivaru.

And in the year 1901 a question arose whether the Inams should not be resumed by the Government and as a tentative measure the said Mendabassaya was asked to mention a Competant person who should be a viraktha for the managment of the said mutt and he agreed to do so.

3 That owing to the evil advice of some persons the said Mendbassaya turned round and submitted petitions to the Authorities and obtained orders that he may Continue himself in office for some time as the orders herewith shown behined the back of your Honours petitioners.

4 That the said orders ignored the fact that it was only a viraktha that should be the Adipathi of this mutt and it is not clear from those orders whether the said man should be Adipathi at all and what his functions should be.

5 That by the Government orders No. 233-42 dated 14th December 1892 it was necessary to obtain the Consent of the Government for the appointment of any person as Mattathipathi of any mutt and this has not been taken into Consideration in passing the above orders.

6 That further the said Mendabassaya is a family man quite ignorant of even the elementary principles of Jangama religion and does not feed or give shelter to travellers and is dealing with mutt properties

as his own.

That for these reasons petitioners respectfully pray that your Honour will be graciously pleased to cancel the present temporary arrangement & take steps to nominate a permanent Swamy in place of Mudabasaya who can discharge the onorous duties of the management of this Mutt; and further they beg to suggest the name of Lidalinga Daivaru of Kumbala mutt as a fit person in every way for the Office.

Order

Mr. Sitaramayya was heard for the applicant. He urged that it was necessary to appoint some one who retired from worldly affairs to take charge of Matt and that as the applicant is a Jangam and fulfils the conditions laid down in the Inam grant, he is competent to manage the affairs. By my order of the 9th July 1901 I gave one year's time for the appointment of a competent person for the charge of the Matt. I laid stress on the word competent as the applicant himself agreed before the amildar.

that he would take steps to have a Viraka appointed. I do not wish to bind him to that statement. I give it open to him at the end of the year's time granted to him to show if he has nominated a competent Viraka for charge of Gratt or that a [illegible] he is quite competent for the [illegible] and no Viraka [illegible] will, etc his management by the [illegible] will not be interfered with and all [illegible] of the Gratt now in the hands of [illegible] -Mukkoffices should be [illegible]

Sir,

With reference to your official memo No: 834 of $\frac{27}{30}$th August 1904, forwarding for report petition (herewith returned) from Mohantappa and others of Byaladakere village, Magadi Taluk, Complaining against the Conduct of the present Dyah of Jangam Mutt at the place, I have the honor to state as follows:

2. On 8th August 1899, a similar petition was received in this office from the ryots of the village bringing to notice the mismanagement of the Mutt and the Inam lands measuring 21 acres and

37

37 gunitas endowed to it. This was forwarded to the Closepet Assistant Commissioner for disposal. After some correspondence between the Assistant Commissioner in charge of the Taluk and the Bunder, the latter submitted a report no 524 of 8th April 1901, stating that according to the gunt rent register the enjoyment of the gunth lands vested in the manager of the Gunth for the time being and that the Gunth was ganally in charge of a Viraktha, but that there had been none for over twenty five years and recommended that in the interests of the Gunth and for its better management a viraktha should be appointed. The Assistant Commissioner ordered thereon that the Gunam lands should be taken under government management, being treated as if under distraint and that the devotees should be given a year's time to choose a Viraktha and apply for the restoration of the lands after which a report would be sent up for final orders.

3. Upon this, Gunddu Basavaiya in charge of the Gunth petitioned to this office on 20th June 1901 praying for the

the release of the Inam lands from distraint and their restoration. The records were sent for and it was ordered on 26th September 1901 that the appellant might be given one of two alternatives, viz, to show at the end of year's time given in the previous order, that he has nominated a Competent virakthe for the charge of the mutt or he has himself proved Competent to be in charge and that no virakthe is necessary and that till then the lands need not be in attachment and that the emoluments in the hands of Government officers should be made over to him.

4 On 25th August 1902, a Counter petition was received from Betel Basava Gowda and others again praying for the appointment of a virakthe. This was referred to the Assistant Commissioner Closepet for enquiry into the management and report as to whether the previous orders had been complied with. The Assistant Commissioner reported in his yadi No: 1225 of 19th April 1903 that he found the mutt well managed during his inspection, while on

on Jamabandi and that there was no necessity to disturb the existing long standing arrangement and appoint a viraktha. The then Deputy Commissioner Mr H.H. Sparkes Concurred with the divisional Officer and ordered accordingly.

The vernacular papers on the subject are herein enclosed.

I have the honor to be,
Sir,
Your most obedient Servant,

D Denard
Deputy Commissioner.
